

Employee Conduct and Performance Standards

1. Code of Conduct

All employees are expected to maintain professionalism, integrity, and respect in the workplace. Violations including harassment, discrimination or misconduct will be subject to disciplinary actions up to termination.

2. Sales Target Requirements

Employees must meet monthly sales targets based on assigned store locations and roles. Minimum target achievement is set at 80 percent. Continued underperformance triggers coaching and potential reassignment.

3. Training and Certification

Completion of product and customer service training is mandatory within the first 30 days of employment. Certification renewal is required annually. Failure to complete training may affect employment status.

4. Attendance and Punctuality

Regular attendance and punctuality are mandatory. Absences must be reported in advance where possible. Excessive tardiness or unexcused absences affect performance evaluations.

5. Data Security Compliance

Employees must comply with all data security policies. Unauthorized access or sharing of sensitive information is prohibited and may result in legal consequences.
