

Employee Conduct and Safety Manual

1. Workplace Conduct

Employees must adhere to professional conduct standards including respect, integrity, and confidentiality. Violations may result in disciplinary action.

2. Safety Training

All employees complete annual safety training covering workplace hazards, emergency procedures, and equipment use.

3. Incident Reporting

Workplace incidents and near-misses must be reported within 24 hours to supervisors. Reports are logged and reviewed.

4. Personal Protective Equipment

Use of PPE is mandatory in designated areas including warehouses and technical installations. PPE availability is ensured.

5. Attendance and Punctuality

Employees are expected to maintain regular attendance and be punctual for shifts. Absences must be notified in advance.

6. Use of Company Property

Company equipment and resources must be used responsibly and only for business purposes. Unauthorized use is prohibited.

7. Harassment Policy

Harassment of any form is not tolerated. Complaints are investigated confidentially with protections against retaliation.
