

Return and Refund Policy

1. Return Eligibility

Products may be returned within 30 days of purchase if unused and in original packaging. Returns must be accompanied by proof of purchase. Defective items may be returned beyond 30 days subject to inspection.

2. Refund Processing Time

Approved refunds are processed within 7 business days. Customers are notified when the refund is issued. Refunds are made to the original payment method.

3. Return Reason Documentation

All returns require a reason to be recorded in the system. Common reasons include defects, customer dissatisfaction, incorrect product, or billing issues. This data is analyzed monthly for quality improvements.

4. Restocking Fees

Certain returns may incur a restocking fee of up to 10% if the product is damaged or not in resalable condition. Customers are informed of any fees prior to return approval.

5. Return Authorization

Returns must be authorized prior to shipment. Unauthorized returns will be rejected. Authorization requests are processed within 2 business days.

6. Policy Exceptions

Special exception requests are reviewed case-by-case by the returns department. Exceptions include customer service gestures or warranty claims.
